A Message from the Mayor.....

Hello, Taylor Mill Residents:

Spring is in full swing in Kentucky, and the flowers and trees are in bloom. Lots

of exciting things are happening in the Mill. We hope you'll take a moment to catch up on what's happening in the city.

See-Click-Fix App: In an effort to enhance communication and provide residents with a more efficient way to report non-emergency issues and provide feedback, we are excited to announce the launch of See-Click-Fix App.

The commission voted unanimously in March to set aside \$4,500.00 to try the app for one year. Our goal is to gain a better picture of the needs in the community in order to deliver services more efficiently and better incorporate the vision of residents.

Download the See-Click-Fix App FREE: Available in the iTunes and Google Play App stores. (Be sure to allow the app to access your location and photos for easier reporting.)

Use the App to Report Issues: Potholes, Curbside Recycling & Trash Collection, Sidewalk Repair, Park Maintenance, Snow Plowing, Storm Water Drainage/Flooding, Street Lights, Traffic Signal, Traffic or Street Sign, Hazardous Trees, Water or Sanitary Sewer Inquiry, Illegal Dumping, Graffiti, and more.

How to Report an Issue with See-Click-Fix:

Click the 'Report an Issue' button.

Choose to take a photo, upload a photo or just write a description.

Type in the location of the issue.

Select the issue you want to report from the menu or type it in.

Click submit.

Messages are forwarded directly to CAO Brian Haney or City Clerk Kristy Webb. The appropriate department is then notified to work to resolve the issue. You will receive notifications when your request has been updated. You can also follow neighbor's service requests that you care about and specific locations where you want to help be part of the fix like cleaning up a park or shoveling snow for a neighbor.

Street Repair Prioritized: Our city engineer is conducting the annual assessment of our city streets. This annual report provides a ranking of the 125 streets in the city and is used to determine which streets are repaired based on the city budget for that year. As a small city with a limited budget, targeting streets on a yearly basis enables us to keep taxes in check and provide quality police, fire and maintenance services to resi-

Citywide Yard Sale

dents. An example of that process is the street repairs made last year on Sunset Place, Primrose, Church Street, Valley View, Faye, Doris, Gail and Janet Drive.

Park Place Community Center improvements at Pride

Park: The city commission voted to budget \$75,000.00 to pave the parking lot of the Park Place Community Center. The parking lot has been in need of repaving for some time and this will help improve safety and make our community center more welcoming for those who utilize the facility. The repaving project is set to begin Spring/Summer 2019.

Police/Fire EMS: The city commission approved a request by Police Chief Steve Knauf to send two police recruits to attend the state police academy. Congratulations to Sergeant James Mills on graduating from the Criminal Justice Executive Development program. Taylor Mill is a city that prides itself on providing excellent services to our residents. Many thanks to Fire Chief John Stager, Police Chief Steve Knauf and all of our first responders for the excellent job you do protecting the health and safety of our residents.

Upcoming Events:

Spring Shred Event: Free to Taylor Mill residents & businesses. Stop by the Taylor Mill Municipal Complex on Saturday, April 27th from 9:30 a.m. – 11:30 a.m. A truck will be on site to shred your documents while you watch. No credit cards or CDs.

City Commission Meeting: May 8th, 2019 7:00 p.m. 5225 Taylor Mill Rd.

City-Wide Yard Sale: Do a little Spring cleaning or find some new treasures on May 17th & May 18th from 8:00 a.m. to 1:00 p.m. \$2 Permits are available for purchase. Permits purchased by Monday, May 13th will be advertised on the Taylor Mill website and Facebook page.

Let us know how we are doing by contacting us via our website, facebook or email me at Dbell@taylormillky.gov
Have a great spring.
